

THE AFRICAN GROUP OF NEGOTIATORS EXPERTS SUPPORT (AGNES)

ABOUT US:

- AGNES is a not-for-profit think tank of African experts and practitioners that provides evidence-based knowledge to inform a common African position in climate change negotiations.
- AGNES facilitates the exchange of ideas between experts and negotiators at the international level, especially within the UNFCCC framework.
- Since 2015, AGNES has earned a reputation for facilitating the exchange of ideas between experts and negotiators, through its annual Africa Pre-Subsidiary Bodies and Pre-COP Strategy Meetings.
